- Praise - We have 150-165 children attend camp each day and they keep us laughing, smiling, and very busy. Each one of them is a gift from God, and with His help we are doing our best to love them well for the 2 ½ hours we have them each day.
- Praise - We have a wonderful group of Bosnian helpers who attend our teen camps and who consider it a privilege to help with English Camp. We strive to connect with them throughout the year by attending their special events, going for coffee, or having some activities for them at the Hope Center. They work beside us at camp, and they are as much our ministry as the little ones are.
- Praise - They see how we interact with each other, how we interact with the children, and the way we approach challenges. These two weeks at camp they walk beside us, and we get the opportunity to show them what a follower looks like.
- Prayer - This past week was very hot! It has 13 degrees above the average temperature for this time of the year

and we are all feeling it as we run around with all our kiddos. Please pray next week will be cooler and we will get a break from this stifling heat.

- Prayer - Our biggest prayer request is for the families of our campers. We are investing in our communities through camp so that we can build relationships with those that the Father brings to us. As a family, before camp began, we spent time inviting some of our boy's classmates and we were happy to see many of them attend last week. This is a huge answer of prayer for us because it allows us to love these kids these two weeks and connects us with their families in a new way. Also, it allows people to see what we are doing, and gives us validity in our community. Now they can see why the Canadians moved to their city, and they trust us more.
- Prayer - As we head into our next week of camp will you pray for these things I shared and ask God to continue to move in these weeks of camp.

Tony & May

- Praise – that we are seeing Jesus' pattern for empowered disciple-making through our recent trainings and coaching to ministries in Laos.
- Praise – that we were able to register the Garden Studio as a legit business! Pray that God would provide the resources to purchase the land, add a café, more guest rooms, and expand the training room.
- Prayer – for the So and Slang oral Bible translation teams as they take Bible stories back to their communities and churches to check and re-record. Praise God that many will hear the Bible in their heart language for the first time!
- Prayer – for our family as we settle in to our furlough, complete one school year in San Diego, figure out medical insurance, and find a surgeon for Tony's knee (ACL injury). We will also travel to a #NoPlaceLeft church planting conference in LA and catch up with churches to cast vision for the nations.
