

Tithing: "God's Promise to Provide" Selected Scriptures

Getting Started

1. Describe a time when you had a "win" with money.

2. When was a time when you felt well taken care of? What was the situation? Who was taking care of you?

Digging Deeper

1. How has God met your needs in the past? Did you have faith that He would, or did it take you by surprise?

2. Read Matthew 19:29. What does Jesus promise here? Who does He promise it to? What do we have to do to participate in that promise?

3. Next, read Philippians 4:19. Is this a familiar verse? How have you heard it applied? Now read Philippians 4:10-20. What insight comes from reading this passage in context?

4. Read Proverbs 3:9-10. The promise is simple: Give to God and your life will be filled...even to overflowing. When have you experienced the fulfillment of this pledge from God?

5. Now, read Luke 6:38. God promises to be reliable to each of us. Describe your continuing journey of relying on God. When have you seen Him show up for you, in a big way, as you have obeyed Him in little things?

6. Finally, read Galatians 6:7-9. Discuss the law of sowing and reaping. How does this apply to the way we steward the resources God has given us?

Applying the Message

- 1. Pastor Jeremiah provided four steps to knowing God's blessing. Which one of these feels like your next step of faith regarding stewardship?
 - a. Examine the Evidence
 - b. Exercise Your Faith
 - c. Expect God to Respond
 - d. Experience God's Blessing

2. How does your next step of faith look in the real world? What action step can you take today? Tomorrow? This week?
