1.	. During the I AM teaching series, what has been most helpful up to this point? Which Scripture,
	illustration, or main point has shaped (or re-shaped) your understanding of Jesus and who He is?

2. This week, we learn about Jesus as "the Door." When you think of a door, what images come to mind? What memories of doorways have you seen and passed through? How can a door be a metaphor for who Jesus is?

Digging Deeper

1. Read John 10:9. What about this verse sounds comforting? Is there anything about this passage that could feel exclusive or narrow-minded to someone who does not accept what the Bible teaches?

2. In support of the above passage, read John 14:6 and Acts 4:12. In what other area of life is there only "one path" to something? What happens when a person tries a path that does not lead to the desired destination? What does this tell us about the "narrow-minded" reality of life?

3	3. For those of us who have walked through the door of Jesus Christ, we have been given exciting blessings. Of the below blessings, which one do you most connect with at this time in your faith journey? Explain.
	Salvation - John 10:9
	Security - John 10:9
	Sustenance - John 10:9
	Satisfaction - John 10:10
4.	Read 2 Peter 1:3. Describe a time when God blessed you. Along with the blessing, what thoughts and emotions came up in you?

5. Read Ephesians 2:8-10. What are we called to do with this blessing and promise of safekeeping
Applying the Message 1. Who in your life needs to see that Jesus is the Door? How are you living your life so that they know that they are invited in? How can you show them that this Door is open for them to enter?
2. How can you live more boldly this week, knowing that the Shepherd's protection goes with you?
